

**NATIONAL BED FEDERATION**  
**Certificate  
of Approval**

This is to certify that

**VITAFOAM**

Has been successfully audited by FIRA International on the requirements of the National Bed Federation's Code of Practice Version 4 2021, which sets out criteria for ensuring processes and procedures are in place for supply chain scrutiny and compliance with regulations - including flammability, cleanliness of fillings and re-use of components, trade descriptions, labelling and composition of textile products, timber, chemical legislation (REACH, POPs and biocides), health & safety compliance, process controls and procedures, PAS 7100 product safety recall and other corrective actions and the Modern Slavery Act 2015.

*The NBF Code of Practice is recognised as Assured Advice by the NBF's Primary Authority Partner, Wakefield Council (West Yorkshire Trading Standards).*
