

**NATIONAL BED FEDERATION**

# Code of Practice V5 Certificate of Approval

This is to certify that  
**The Vita Group**

Has been successfully audited by SATRA Technology on the requirements of the National Bed Federation's Code of Practice Version 5 2023, which sets out criteria for ensuring processes and procedures are in place for supply chain scrutiny and compliance with regulations - including flammability, cleanliness of fillings and re-use of components, trade descriptions, labelling and composition of textile products, timber, chemical legislation (REACH, POPs and biocides), health & safety compliance, process controls and procedures, product safety management procedures and the Modern Slavery Act 2015.

The NBF Code of Practice is recognised as Assured Advice by the NBF's Primary Authority Partner, Wakefield Council (West Yorkshire Trading Standards).
